

MAKE YOUR OWN CAR COLLECTION

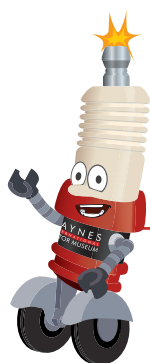

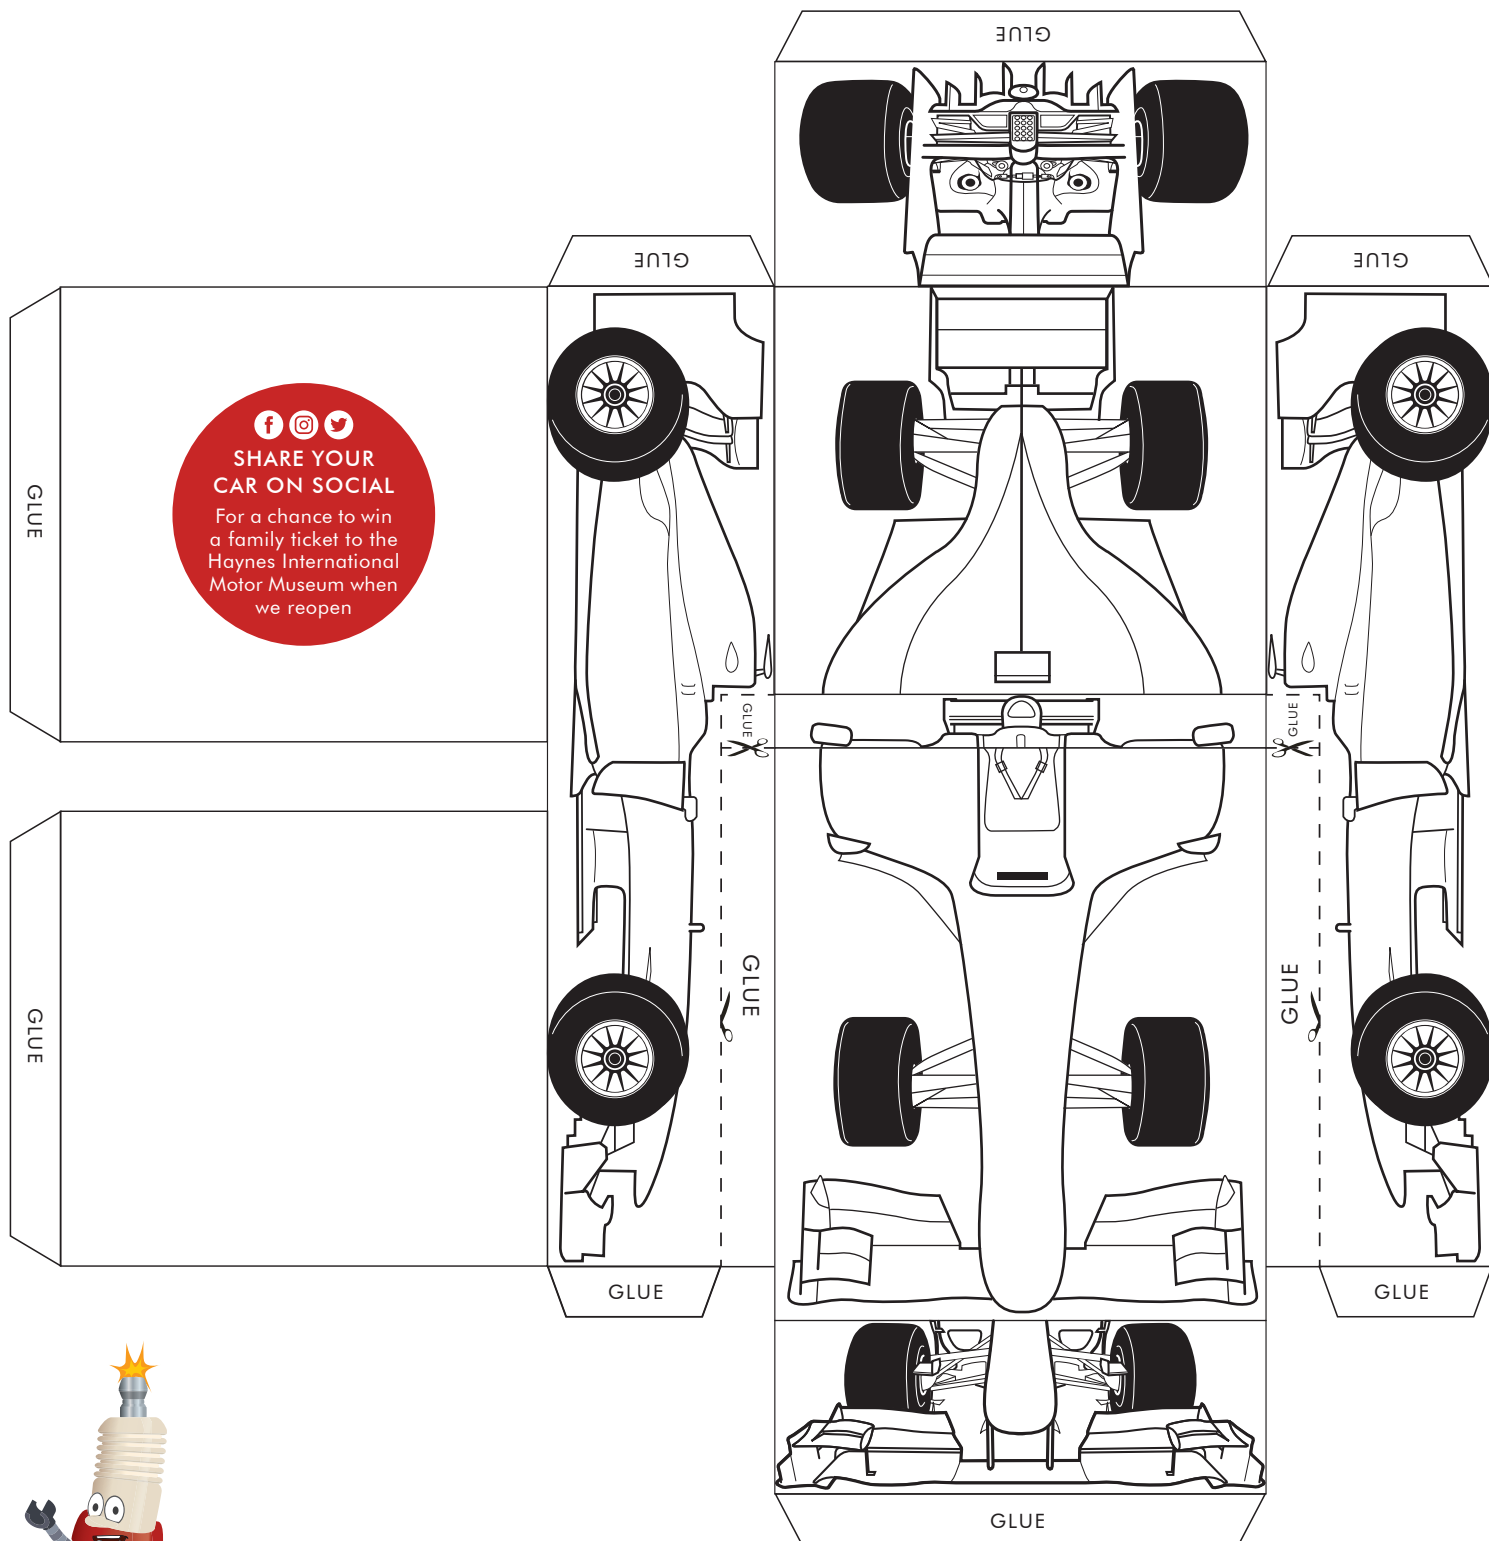

FORMULA 1 CAR

There are several Formula 1 cars in the Museum Collection, including a Michael Schumacher Ferrari.

Designed always with speed and control in mind, in wind tunnels. Formula 1 cars look different to any other car and weigh only around 600 kilos - half the weight of an average family car. But then they are the only car that can fit 1 person, without any luggage!

Make yours look different with some cool graphics of your own.
